Address

IET BHADDAL TECHNICAL CAMPUS.
Ropar, Punjab, 140108.
Boys Hostel

Expertise

- **Technical Skills:**
- Programming Fundamentals (Python – Academic Level).
- Software Development Concepts.
- Data Analysis Fundamentals.
- 3D Modeling (Blender – Basic Level).
- Research & Critical Thinking Skills.
- **Soft Skills:**
- Leadership & Teamwork.
- Problem Solving & Analytical Thinking.
- Entrepreneurial Mindset.
- Communication & Public Speaking.
- Adaptability & Continuous Learning.

Language

- Bangla- Read, Write, Speak, Listen.
- English – Read, Write, Speak, Listen.
- Hindi – Speak, Listen.

Professional Certifications & Training

- Social Leadership & Civic Action.
- 21st Century Employability.
- Technical & Creative Innovation.
- Global Communication.
- Specialised Knowledge.

Experience

2018

Khulna University of Engineering & Technology (KUET)

Professional Diploma Program Software Engineering

This Professional Diploma from KUET provided a solid foundation in software engineering principles, covering core programming, system design, and practical development methodologies.

2014

Data Solution 360

Data Analytics Bootcamp

Data Analytics Bootcamp provided intensive, hands-on training in essential data tools like SQL, Python, and Power BI. I obtained practical skills in data cleaning, exploratory analysis, and visualization to transform raw data into actionable business insights.

2020

Global Center for Innovation and Learning (GCFIL)

Action Research Course

Action Research, enabling me to identify, analyze, and resolve real-world problems through a systematic "planning-acting-reflecting" cycle. The course, certified by the Global Center for Innovation and Learning (GCF) and DURS, equipped me with skills to design and implement educational or community-based interventions.

Education

2023 - 2027

IET Bhaddal Technical Campus, Ropar, Punjab, 140108.
Approved by AICTE, UGC unders section 2(f) & 12(b) and affiliated to IKG-PTU Kapurthala , PSBTE& IT- Chandigarh

Bachelor of Technology (B.Tech) in Computer Science and Engineering

It equips me with the ability to solve complex engineering problems while gaining hands-on experience in emerging technologies like Artificial Intelligence, Machine Learning, Cloud Computing, and Cybersecurity.

2018 - 2019

Bangladesh Technical College (33136)

Diploma in Engineering Computer Technology

Achieving a CGPA of 3.14 / 4.00. This program provided foundational knowledge in computer hardware, software development, and technical networking skills.

Business Studies

Successfully completed the HSC. Obtained a GPA of 3.40 out of 5.00 in the Business Studies program, establishing a foundational understanding of commerce and management.

Business Studies

In 2012, you successfully earned your Secondary School Certificate (SSC) in the Business Studies program. With a GPA of 4.31 out of 5.00, your performance is classified as "Excellent" under the Bangladesh national grading system, reflecting an average score between 70% and 79%.

2012

Institution: Burujagan Secondary School (307)

Career Objective

Motivated and detail-oriented Computer Science and Engineering student with a strong academic foundation in Business Studies and Computer Technology. Seeking opportunities to apply technical, analytical, and problem-solving skills in software development, data analytics, and emerging technologies while contributing effectively to organizational growth.
